Air is the industry-leading later life lending platform

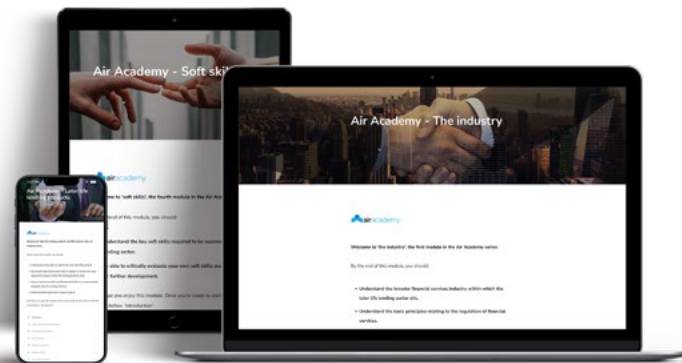

Enabled by technology, knowledge and people, we offer advisers best-in-class digital sourcing tools, incentives and rewards programmes, as well as personal development services in Air Academy.

Air Academy is an innovative, on-demand personal and business-focused later life lending learning platform.

Underpinned by advanced technology and knowledgeable experts, it provides you access to eight London Institute of Banking and Finance-accredited learning modules covering a range of critical later life lending areas, as well as the highest quality advice and support to enable you and your business to go further.

What makes the Air Academy different?

- All eight later life lending modules have been specifically designed with advisers like you in mind and are fully accredited by the London Institute of Banking and Finance (LIBF)
- Your learning is interactive through a range of webinars and online tools
- The Air Academy is a brand-new, bespoke and easy-to-use learning platform that works with you as you progress
- Our expert team are always on hand to provide you with ongoing accreditation support
- After you become fully accredited and complete your first case through Air Club, you can enjoy a reduced annual subscription to Air Academy and benefit from higher procurement fees

The Air Academy modules

The Air Academy hosts eight completely redesigned LIBF-accredited learning modules that cover a range of key areas in the later life lending market. Each has its own learning objectives, which you'll reach through engaging webinars, helpful online tools and assessments.
